**WHAT HAVE WE BEEN
DOING THIS WEEK?**

Year 1

Year 1 have been busy detectives this week, sorting non-chronological reports and stories! We learnt that non-chronological reports tell us facts and information, while stories are made to entertain us. The children did a fantastic job spotting the difference and explaining their choices!

Year 3

Year 3 have been exploring stone age cave art! We have had a go at creating our own!

Year 5

Today, 5 Chestnut have celebrated Poland on European Language Day. We have tasted some delicious Polish treats and created some artwork inspired by Dozynki, the Polish harvest festival.

PICTURE NEWS

This week's Picture News is...

Question: Do wild animals have as much right to the land as we do?

Story: Nepal has announced that its wild tiger population has more than tripled, rising from 121 tigers in 2010, to 429 today. Officials say the turnaround is the result of years of protected wildlife corridors and local communities working hand-in-hand with conservationists to protect big cats. With tiger numbers now increasing, more encounters between tigers and nearby villages are leaving experts asking how many people and wildlife can safely share the same land.

Which British value do you think this week's story highlights?

It highlights
Rule of Law because
protected areas help
keep people and
wildlife safe, and
allow them to share
the land.

**Mutual Respect and
Tolerance** is shown
by respecting the
needs of both
people and wildlife.

Do you agree with either person, or think something different?

OTHER NEWS

Learning

This week children explored scenarios involving being left out of games, friendship groups and activities. Pupils discussed how exclusion can affect a person's confidence, wellbeing and sense of belonging. They also considered ways they can help others feel included.

Try This at Home

Ask your child:

- How can you help somebody who feels left out?
- What makes somebody feel that they belong?
- What would you do if you noticed someone sitting alone?
